Welcome

Welcome to the first edition of the 2010-2011 Florida Division President's eNewsletter! My goal is to keep Division members informed about the latest IAAP news and information in a concise format. You'll see a lot of references to documents posted in the Web Community Library – the document numbers posted after the document names are a quick and efficient way to locate the document using the "search" feature. You *WILL* need to be logged in access the documents.

Chapter Presidents – please forward these newsletters to your chapter members or direct them to the Florida Division Web Community e-Group.
